I. GENERAL PROVISIONS

1. Scope

Charges are to be paid in accordance with this tariff for use of the facilities in the port facilities managed by Mukran Port Terminals GmbH & Co. KG.

The facilities in paragraph 1 include in particular transport, pre-stowage and outdoor storage areas, storage sheds and crane systems.

Separate charges will be agreed for services that are not listed in this tariff.

2. Incurrence and due date

Charges for handling, storage and other services are the responsibility of the client or users.

The claim to the charge arises when the services are executed and the facilities are used in accordance with section 1. This does not apply insofar as facilities are rented against payment.

The charges are due when the invoice is received. If payment has not been made within 14 days after the due date, default interest of 3% p.a. above the relevant discount rate of the German Central Bank (Deutsche Bundesbank) will be charged.

The currency is the euro.

The place of jurisdiction is Stralsund, Germany.

3. Assessment bases

The assessment bases for calculating the charges result from the rates pursuant to section II.

Each started assessment unit is charged in full.

The rates in this quay tariff are net rates. VAT will be added to services that are subject to VAT in accordance with statutory provisions.

The following surcharges apply to services provided by Mukran Port Terminals GmbH & Co. KG that are charged per man-hour and are rendered outside normal working hours:

<i>Monday – Friday</i>	<i>23.00 – 07.00</i>	<i>+25%</i>
<i>Saturdays and on days preceding public holidays, as long as these are on working days</i>	<i>13.00 – 00.00</i>	<i>+25%</i>
<i>Sundays</i>	<i>All day</i>	<i>+100%</i>
<i>On days preceding public holidays, as long as these are not on working days</i>	<i>13.00 – 00.00</i>	<i>+100%</i>
<i>On statutory or religious holidays</i>	<i>All day</i>	<i>+125%</i>

The assessment bases are the personnel charges of Mukran Port Terminals GmbH & Co. KG.
